New London County 4-H Fair Executive Board Minutes  
May 26th, 2020

The meeting was called to order at 7:07 pm.

Guiding Questions
Questions were discussed that should be talked about regarding our event. They regarded attitude, team, mission, takeaways, when, other counties, and spreading information.

Objectives
Target ideas we would like to make sure 4-Hers get out of the event include ability to adapt, learn more advanced information about project areas, evidence of growth, have fun, enjoy, and feel like a community.

Ideas for the Exposition
Some ideas were portfolios, slideshow, public speaking, and videos. For the learning portion there could be species challenges or workshops.

For presenting we discussed a live video, drive in, and putting in online.

So far it looks like there will be a submission portion with a way to present it to everyone. Superintendents will be able to plan a workshop or something for their event.

Fairbook
The fairbook may be turned into a memory book this year and we will continue the cover contest.

Ad Campaign
Ms. Pam will be sending a letter to the business. This letter will lay out our situation and ask what they would like to do.
