Power Surge Robotics is our regional 4-H STEM club. We accept any youth ages 13-18, from any school or home-schooled, through open enrollment.

Our imaginative and enthusiastic members are guided by a host of skilled mentors and are supported by sponsors, parents, and friends.

Power Surge competes in the F.I.R.S.T. Robotics Competitions as FRC team #2712 at the Statewide, Regional and when possible, at the National level.

For our member’s safety we follow CDC & 4-H COVID-19 Safety Protocols

Therefore, depending on circumstances meetings are either held online or in person, with safety protocols, at the Braxton workshop in Woodbury, CT located at 60 Weekeepeemee Road.

DOG SHOW CLASSES

Intro to Showing and Obedience Class

1. Members may show in this class for 1 year. The class includes elements of both obedience and showmanship. The objective of the class is to demonstrate that the member’s dog has learned how to sit, stay, come when called, and walk calmly on leash which is used in Obedience ring, as well as a basic gaiting pattern and basic exam that is used in the Showmanship ring. The member will demonstrate general knowledge of dogs and dog care, including home care, feeding, health, and their dog’s breed (or most predominant breed in the case of All-Americans). Members entered in this class do not enter any other obedience or showmanship class at this show.
