ABOUT OUR CAMP

- The New London County 4-H Camp was founded in 1947 on 24.5 acres in Franklin, CT, as an educational/recreational facility. The camp is open to all youth without regard to race, gender, color, national origin, or religion.

- 4-H Camp provides youngsters with a fun experience in group living in the outdoors. Through a wide variety of activities, campers develop a greater understanding of themselves, others, and the world around them.

- Self development, environmental awareness, and a concern for health and safety are core skill sets taught each summer to all campers, ages 6-17. And of course having fun!

- The New London County 4-H Camp is owned by the New London County 4-H Foundation, Inc. and is sponsored with the University of Connecticut Cooperative Extension System.
