Here at the Windham County 4-H Fair we make memories that will last forever but with the click of a button we can look back on them forever. Thanks to Chrissy Peckham this is a possibility for us!

Chrissy grew up knowing the responsibility of farming on her family farm in Vermont and continues to grow in that life here in Connecticut. Her husband Matthew Peckham is the 6th generation of their dairy farm, Elm Farm, in Woodstock, Connecticut. Matthew and Chrissy have 4 children who are all involved in 4-H and each have jobs to keep their dairy farm running. Recently, last August they opened the Farm To Table Market and Chrissy keeps busy by working hard to keep her vision of an old general store with her spur of the moment ideas.

With a house and farm full of children Chrissy considers her 4-Hers her own sometimes. She never misses out on an event and always encourages her 4-Hers to support one another. You can find Chrissy out on the farm with her 4-Hers always willing to lend a hand or walk a cow. She is great about capturing the moments of the struggle of halter breaking a calf or the gentle, sweet moments between a 4-Her and their project animal. Though Chrissy was never a 4-Her herself she is happy to learn and will do anything for her club and their cattle.

Chrissy has a true gift when it comes to capturing moments we want to remember forever. She loves photography and has her own photography business doing wedding pictures, engagement photos, newborn shoots, family photos, senior pictures, and prom pictures. Their dairy farm is also a part of the Cabot co-op and Chrissy has done some photography for them as well. However, even when she is busy editing pictures she is always ready to lend a helping hand when it comes to 4-H.

Thank you Chrissy Peckham for always having a camera ready and sharing our passion of 4-H! Thank you for capturing the memories we want to last forever!

A message from our 2019 Windham County 4-H Fair Association President

The Windham County 4-H Fair Association is pleased to bring you the 2019 Windham County 4-H Fair. This year we have worked hard to deliver the best 4-H fair possible. It gives us an opportunity to show off the skills we have learned throughout the year.

Everyone from the fair association is looking forward to this year’s activities, but it is important that we thank our sponsors, parents, volunteers, and supporters. The fair would not be possible without them.

Sincerely,
Caleb Peckham
Windham County 4-H Fair Association President, 2019
What is Windham County 4-H?

For over 100 years, through 4-H, the largest dynamic youth organization in America, Connecticut’s young people have developed skills and attitudes that will serve them throughout their lives.

WE STRESS SELF CONFIDENCE, PERSONAL WELL-BEING AND ENVIRONMENTAL RESPONSIBILITY.

4-H offers free group and individual educational opportunities to encourage youth to wonder, explore, experience, and grow in mind and body. Through fun activities under the guidance of caring and knowledgeable professionals volunteers, young people learn about themselves and their world. We help them build on their strengths as they try new things, reach out to others and complete with themselves to achieve their goals and receive recognition for their accomplishments.

4-H is the youth development program of UConn Extension. As part of the College of Agriculture, Health and Natural Resources, we belong to a nationwide educational network through Cooperative Extension and the U.S. Department of Agriculture.

**General Information - Livestock Exhibitors**

**Exhibitors**
- Exhibitors must follow all rules listed in the General Fair Rules and Regulations Section and all exhibits must conform to those rules as well.

**Animal Health**
- Please read the CT Fair & Health Regulations listed in the livestock section of this fair book. All regulations must be met in order to show. Call the CT Department of Agriculture at (860) 713-2504 if you have questions.
- Interstate permits are required if entry comes from out of state.

**Set-up/Arrival of Exhibits**
- Upon arrival, take your record book and animals’ health papers to the respective livestock superintendent. No animals may be unloaded until papers are checked.

Animals with obvious warts or ringworm and extremely dirty animals will be refused entry. Any animal with a “suspicious condition” will be isolated until it can be checked by the State Inspector. Their decision will be final.

- Initial bedding will be provided by the 4-H Fair if donated. Please contact the 4-H office for details. Exhibitors must supply their own additional bedding if supplies run low.
- Pens and tie-ups will be assigned by the barn set-up committee and superintendents.
- Due to the CT Rabies Advisory, animals for which there is no licensed rabies vaccine and those too young to be vaccinated will be assigned to an area of the barn which will be fenced off to everyone but exhibitors, advisors and judges. See CT State Fair Regulations for a complete list.

**Animal Care**
- Once animals are on the fairgrounds and unloaded, only 4- Hers will work on and care for their animals. This is a 4-H exhibit. Each exhibitor is responsible for the care of his/her animal(s) and any damage done. All animals must be raised and shown by the 4-H member using safe and currently approved agricultural practices.
- Once animals are safely unloaded, 4-H members are required to take full responsibility for care, feeding, clipping, blocking and showing. Senior 4-H members are asked to help younger members as needed. Any adults assisting will be asked by the superintendents and advisors to stop unless there is an issue of safety.

**Wash Racks**
- Livestock exhibitors planning to use wash racks must bring their own hose equipped with a shut off nozzle and leave the wash rack clean when done washing.

**Showing/Judging**
- All animal exhibitors must enter fitting and showmanship.
Members with more than one animal in a class may have another 4-H member help show.

Classes will be judged on the Dual Merit System, a combination of Standard and Danish. Entries will be lined up and Danish awards (blue, red, white) will be given in groupings.

Single animal entries are limited to 3 per lot number per exhibitor except group classes where only one entry is permitted.

If any classes are too large, they will be split at the discretion of the superintendent or the judge.

3. Health charts and proof of vaccination where applicable are the responsibility of the exhibitor.

A complete list, containing the name of the exhibitor, address, animal ID (ear tag, tattoo, leg band), breed and age of each animal, and the total head count will be made available to the State Livestock Inspector and forwarded to the Connecticut Department of Agriculture, Bureau of Regulatory Services by the fair superintendent. **All animals and poultry present on the grounds should be identified on this list.** Any animal that is rejected should be noted as

EASILY VISIBLE POSTED SIGNS OR TAPE stating,
"CONNECTICUT RABIES ADVISORY NOTICE - DO NOT
FEED OR TOUCH ANIMALS".***

On August 4, 2009, the Department of Agriculture
adopted regulations for the "Control of Rabies in
Public Settings" which will be enforced at all
Connecticut fairs and public exhibitions. The
complete text of the regulations, RCSA §§ 22-359-1
through 22-359-5, follows this notice.

Its provisions include the following for both
Connecticut and out of state animals:

(1) **Animals for which there is a licensed rabies
vaccine**

- Horses, cattle, sheep, dogs and cats must be
currently vaccinated against rabies by a
licensed veterinarian unless they are under
the minimum age to be vaccinated. (Ferrets
are also included in this category if displayed.)
- These animals must have a rabies
vaccination certificate signed by the
licensed veterinarian administering the
vaccine that includes the animal’s
identification and description, name and
address of owner, name of the vaccine’s
manufacturer, serial number, date the
vaccination was administered and date
when it expires.
- If it is the animal’s first vaccination, it must be
given at least 30 days prior to the first show
date to be considered current.

(2) **Animals not having an approved rabies
vaccination**

- Includes animals for which there is not a
licensed rabies vaccine and animals for which
there is a licensed rabies vaccine but are under
the age to be vaccinated. (Most rabies
vaccines are labeled to be administered when
animals reach 3 months of age – young
animals for exhibition should be vaccinated as
soon as possible after 3 months of age.)
- Animals must be separated from the public by
sufficient means to avoid direct contact with
people and other animals, such as a double
fence, plexiglass, or other means; or
conspicuous signs or tape must be posted near
the animal enclosure stating "CONNECTICUT
RABIES ADVISORY NOTICE – DO NOT FEED OR
TOUCH ANIMALS". Yellow tape with the rabies
advisory notice wording is available for
purchase from the Department of Agriculture.
Please, contact the department at (860) 713-

requirements, the rabies regulations or if you
wish to obtain the rabies advisory notice tape.

Education/Promotion Contest
Hosted by: J. Allen Cameron, Owner, Cameron Farmstead

The purpose of this contest is to engage the public with the club members interests while promoting agricultural education and information. Also, one of the goals of this contest is to push the club members knowledge of their area of interest and for them to learn something new as well.

- This contest is open to all clubs.
- Each club who participates in the contest is required to create a display to give the general public more information on the area(s) of interest that the club focuses on. It is up to each club to determine the amount of depth of the information displayed.
- If you competed in this competition last year, you are asked to choose a new topic for your club’s display.
- The contest will be judged by people, preselected by J. Allen Cameron, who are determined to be impartial and of varying backgrounds. The judging will take place on the Saturday of the fair and the winner will be awarded on the Sunday of the fair.

Each display will be judged on the following criteria:

- Layout (clean, easy to follow)
- Overall appeal of the display
- Amount of information on the display (too much, too little)
- Level of information on the display (easily understood/very complex)
- Did you (the judge) learn something new?
- Did you (the judge) want to learn more?
- Other areas to consider (comment section)

The club that is chosen to be the winner will receive a check from Cameron Farmstead for $150.00 to be used for continued education of the club members.
