Sample Commentary to Help You:

Wanting to shed his usual jeans and t-shirt Patrick Greene put together an outfit so snazzy he could wear it to a 4-H meeting or to the movies. This is Patrick's second Smart Shopper project. The comfortable, barley-colored cargo pants have green stitching down the legs and dark blue material on the inside pockets. The easy to care for sweater in 100% acrylic was chosen to highlight the green stitching in the pants. This is 13-year-old Patrick's fourth year in the Cut & Stitch 4-H Club and his first year as a teen member of the Home Economics Committee. Lookin' good, Patrick!
