Instruction Sheet for 4-H Members
National 4-H Award Trip and
UConn 4-H Teen Council Application Process

National 4-H trips are an exciting part of the 4-H experience. To apply for selection to attend a national 4-H award trip you are required to submit a UConn 4-H Recognition Form by the required deadline and take part in an interview. Please remember that you are applying for an award that is based on your cumulative 4-H experience. Presenting a neat, thorough and complete application illustrates your interest in the award and how much effort you have put into the application process.

Completing applications are an important life experience. As you get older you will be completing applications for college, scholarships, jobs and other awards. It is important that you present yourself in a positive and professional manner. In order to make the most out of the national 4-H award trip application process here are some rules that need to be followed:

- A completed UConn 4-H Recognition Form must be submitted to the county 4-H office by the county deadline date. A completed application includes:
  - A typewritten application. Handwritten forms will not be accepted.
  - All required signatures
  - A recommendation form that is attached to the recognition form or sent separately to the county 4-H educator. Do not send recommendation forms to the State 4-H Office.

- Your county 4-H educator will review your application to make sure it is complete and will then sign it and forward it on to the State 4-H Office by the state deadline date. Incomplete applications will be returned to the applicant.

- Recognition forms will be evaluated and applicants with qualifying scores will be invited for an interview as part of the selection process.

- Qualifying applicants will be contacted by the State 4-H office to schedule their interview. Two interview dates are provided at different locations in the state. If those dates are not convenient applicants will be asked to travel to the UConn Storrs campus for their interview. Once the interviews have been completed, applicants’ scores for both their recognition form and their interview will be totaled and an average score determined for each individual.

- Applicants will be required to bring their record book to the interview. For those who do not have a record book, a minimum of an activity record sheet must be brought to the interview.

- Because you are applying for an award trip, attention will be paid to the leadership and citizenship experiences that you list on your application. Take time to think of all the leadership and citizenship activities you have taken part in throughout your 4-H career. Try to use action verbs to show that it was a leadership experience. A list of action verbs has been included with this instruction sheet. Make sure to also update your recognition form with any new activities or awards if you are applying for another trip or re-submitting your application the following year.

- Make sure to review the score sheets included with this packet for both the recognition form and the interview so you are familiar with the scoring process.

- Correct spelling and grammar are an important part of your application. Take the time to check your spelling and grammar. It’s always a good idea to have an adult review your application before you submit it because they may spot errors you have missed.

- Please remember that you can always ask your county 4-H educator to review your form or for guidance on completion of the recognition form.
