

## EASTERN STATES 4-H HORSE DELEGATE

February 1, 2017

Dear 4-H Horse Leaders & Members,

The Eastern States Exposition selection process is a three-tiered process, which is explained below. Please look over this letter and the applications carefully. The dates for Eastern States Exposition are September 20 through September 24, 2017.

### ***YOU MAY ATTEND ESE FOR AS MANY YEARS AS YOU ARE ELIGIBLE***

**The First Tier** of the selection will consist of an application and review of the applicant's record book at the county level. At the first tier the home county of the applicant will evaluate their record book on a pass/fail basis. The application will also be looked over for completeness and correctness. If the applicant passes the county review (or the first tier); their record book will be returned to them, and their application will be sent onto the second tier.

**The Second Tier** is a state level selection based on the applications. Multiple people will score applications and the scores will be averaged. The same criteria will apply as has been used in the past, with first year applicants needing to score 75%, second year applicants needing to score 80% and ALL OTHER delegates needing to score 85% to be deemed as qualified. Priority will be given to first and second year applicants if there are an overwhelming number of applications. Those who pass the second tier, as determined by their scores on their applications, will be asked to attend the third tier final selection meeting, the third and final tier of the process. The committee reserves the right to make final selections using a personal interview and/or a written test if needed at this final selection meeting. **Please prepare yourself for both.**

**The Third Tier** -final selection meeting for Horse Delegates to the Eastern States Exposition will be held on Sunday June 4, 2017, beginning at 2:00 pm at the Middlesex County Extension Center, in Haddam. We have given you the date of the final selection so you can hold it, but you will be notified if you need to attend. Your application and record book will have to pass the first two tiers to be asked to join us at the final selection meeting. **Attendance at this meeting is mandatory if you are invited to attend. There will be no exceptions!!!** There will be a one day orientation for those selected in Aug. in Haddam. Date to be determined.

Delegate applicants must be a 4-H member for at least 2 years and 13-19 years of age as of January 1, 2017. Applicants must have owned or leased their horses before April 1, 2017 and must have a Horse Project Verification form on file at their local Extension Center. If you have more than one horse project is recommended you verify all of them. It is **strongly recommended that an applicant's maturity be considered.** The program at the Big E will keep the delegates very busy. They will participate in Horse Judging, Quiz Bowl, General Knowledge Test & Stable Management. The Horse Show will consist of Fitting & Showing, Equitation, In Hand Suitability for Small Equine and Reinsmanship for drivers, You must do one of the following but may pick up to 4 classes: Western Trail, Western Handiness, Western All Around (*includes an equitation component, pleasure component and halter component*), Western Pleasure, Hunter Under Saddle, Bridle Path Hack, Hunter Over Fences, English Trail, English Pleasure, Command (*may be mixed seat class or separate seats*), In Hand Obstacles (*Small Equine Only*), In Hand Hunter (*Small Equine Only*), In Hand Command (*Small Equine Only*), Precision Driving, Pleasure Driving, & Driving Command  
**VERY IMPORTANT:** The use of ASTM/SEI approved hard hats will be **required for all** riding and driving classes at ESE. If you do not have the proper helmet you will not be allowed to participate.

Any 4-Her who has a parent or guardian as a leader **must** have another leader or their local 4-H Educator fill out their recommendation. The successful applicant should be a well-prepared 4-Her who works well in a group. Our goal is for the delegation to have a fun positive learning experience and selection is the first step to insuring this.
