4-H coloring lives since 1902

Julia Duval
On behalf of Tolland County 4-H, fairboard dedicates the 77th annual Tolland County 4-H fair book to Cheryl Saegaert. On February 12, 2019, Tolland County 4-H lost one of their biggest advocates. Cheryl started with 4-H in Tolland County about 35 years ago, or as she would say, “too long ago.” Cheryl served for many years not only as a 4-H club leader for the ‘Goats, etc.’ club, but also as a fairboard advisor. Her 4-H experience began with her two biological children, however she considered all of her 4-Hers her own. Her home was always open to any and all 4-Hers and animals. She was a lover of all animals. While her club focus was on dairy goats, her personal farm was fairly diverse, including dogs, chickens, ducks, llamas, sheep, rabbits, domestic birds, and of course, dairy goats.

Cheryl was the type of individual that would go above and beyond for anyone who may, or may not, have asked. She was the proudest of her 4-H kids and would help them to accomplish anything that they wanted to. Her teaching went far beyond 4-H and animals, extending to life, independence and teamwork along with acceptance and patience. But the most important thing she taught was responsibility. Responsibility for your own actions, for your animals, and for your 4-H club. Cheryl pushed her kids to set goals, challenge themselves in all aspects of their life, and step out of their comfort zone. She pushed them to be the best that they could be. While Cheryl was known for her open, sometimes blunt, honesty, her intentions were always in the best interest of those around her. She was the type of person who loved and loved hard, and she will be greatly missed.

Thank you, Cheryl, for all that you’ve done for Tolland County 4-H.
Once I was faced with the question, “In one word, what does 4-H mean to you?” to which I answered, “everything.” One of the most amazing things about 4-H is not only its ability to reach the lives of so many people and touch each one in a different way, but it’s ability to bring together people that share the same love and passion for 4-H and everything it stands for. These experiences have become a special part of all of us, whether we recognize it or not, and will benefit and influence our lives in ways that we can only imagine. The ability of 4-H to so profoundly impact the lives of so many people is true to its nature of “making the best better,” and for that I will always be thankful. 4-H, the opportunities it provides, and the incredible people that are a part of it always have, and always will, mean everything to me.

To the 2018-2019 Tolland County 4-H Fairboard: it has been a privilege and a pleasure to serve as your president in my last year of 4-H. Your hard work and enthusiasm for 4-H is so inspiring, and I hope that you all will continue to learn and grow with each other.

I’d like to extend a thank you to everyone I have had the pleasure of working with not only this year, but in the entirety of my time in 4-H; it truly is because of you that I am who I am. Thank you all for everything, and on behalf of the Tolland County 4-H Fairboard, we hope you enjoy the fair!

Sincerely,

Kirsten Krause

CLASS 15 SENIOR BAKING CONTEST

Section A LOT 1
Cinnamon Star Bread

Dough

2 cups King Arthur Unbleached All-Purpose flour
½ cup instant mashed potato flakes
¼ cup nonfat dry milk
¾ cup + 2-4 tablespoons lukewarm water, enough to make a soft, smooth dough
¼ cup (4 tablespoons) unsalted butter, at room temperature
1 teaspoon vanilla extract
2 teaspoons instant yeast
2 tablespoons sugar
1 teaspoon salt

Filling

1 large egg, beaten
½ cup sugar
1 tablespoon cinnamon

Directions

1. First, measure the flour by gently spooning it into a cup, then sweep off any excess. Sift the flour and dry milk. Add the potato flakes.
2. To make the dough: Combine all of the dough ingredients, mix and knead to make a soft, smooth dough.
3. Place the dough in a lightly greased bowl, cover and let rise for 60 minutes, until it’s nearly doubled in bulk.
4. Divide the dough into four equal pieces. Shape each piece into a ball, cover the balls, and allow them to rest for 15 minutes.
5. On a lightly greased or floured work surface, roll one piece of dough into a 10” circle. Place the circle on a piece of parchment, brush a thin coat of beaten egg on the surface, then evenly sprinkle with 1/3 of the cinnamon-sugar, leaving ¼” of bare dough around the perimeter.
6. Roll out a second circle the same size as the first and place it on top of the filling-covered circle. Repeat the layering process-egg, cinnamon sugar, dough circle- leaving the top circle bare.
7. Place a 2 ½’ to 3” round cutter in the center of the dough circle as a guide. With a bench knife or sharp knife, cut the circle into 16 equal strips, from the cutter to the edge, through all the layers.
8. Using two hands, pick up two adjacent strips and twist them away from each other twice so that the top side is facing up again. Repeat with the remaining strips of dough so that you end up with eight pairs of strips.
9. Pinch the pairs of strips together to create a star-like shape with eight points. Remove the cutter.
10. Transfer the star on the parchment to a baking sheet. Cover the star and let it rise until it becomes noticeably puffy, about 45 minutes.
11. While the star is rising, preheat the oven to 400 degrees.
12. Brush the star with a thin coat of the beaten egg. Bake for 12-15 minutes, until it’s nicely golden with dark brown cinnamon streaks: the center should register 200 degrees on a digital thermometer.
13. Remove the loaf from the oven and allow it to cool for about 10 minutes.

Submit on foil-covered cardboard no larger than one inch from bread.

Note: Please check www.ctafairs.org for updated recipe information, recipe demonstrations and to keep in touch with other contest bakers.

2. All animals and poultry entered at fairs and shows must be in good health and in proper physical condition and will be examined at the exhibition by the barn superintendent. Evidence of poor condition or infectious or contagious disease or failure to produce the necessary documents for health certification, vaccination or testing will result in ejection. The Connecticut Department of Agriculture Livestock Inspector's decision is final.
3. Health charts and proof of vaccination where applicable are the responsibility of the exhibitor.
4. Each barn superintendent will collect and hold the Health Certificates from each exhibitor. Animals not in compliance with the state regulations for shows and fairs will not be allowed. A complete list, containing the name of the exhibitor, address, animal ID (ear tag, tattoo, and leg band), breed and age of each animal, and the total head count will be made available to the State Livestock Inspector and forwarded to the Connecticut Dept. of Agriculture, Bureau of Regulation & Inspection by the fair superintendent. All animals and poultry present on the grounds should be identified on this list. Any animal that is rejected should be noted as such with a brief statement of reason. Rejected animals or poultry should be removed from the grounds as soon as possible. Any concerns about the health of any animal or bird should be reported to the State Livestock Inspector or the Fair Veterinarian immediately.

IMPORTANT NOTICE

***All animals for which there is a licensed Rabies vaccine - cattle, horses, sheep, dogs, cats and ferrets - exposed to the public shall be vaccinated against Rabies. Animals not having an approved Rabies vaccination shall be displayed in a manner such that the public would not be in contact or exposed to saliva from those animals and have EASILY VISIBLE POSTED SIGNS OR TAPE stating, "CONNECTICUT RABIES ADVISORY NOTICE - DO NOT FEED OR TOUCH ANIMALS".***

On August 4, 2009, the Department of Agriculture adopted regulations for the “Control of Rabies in Public Settings” which will be enforced at all Connecticut fairs and public exhibitions. The complete text of the regulations, RCSA §§ 22-359-1 through 22-359-5, follows this notice. Its provisions include the following for both Connecticut and out of state animals:

1. Animals for which there is a licensed Rabies vaccine
   - Horses, cattle, sheep, dogs and cats must be currently vaccinated against rabies by a licensed veterinarian unless they are under the minimum age to be vaccinated. (Ferrets are also included in this category if displayed.)
   - These animals must have a rabies vaccination certificate signed by the licensed veterinarian administering the vaccine that includes the animal’s identification and description, name and address of owner, name of the vaccine’s manufacturer, serial number, and date the vaccine was administered and date when it expires.
   - If it is the animal’s first vaccination, it must be given at least 30 days prior to the first show date to be considered current.

2. Animals not having an approved Rabies vaccination
   - Includes animals for which there is not a licensed rabies vaccine and animals for which there is a licensed rabies vaccine but are under the age to be vaccinated. (Most rabies vaccines are labeled to be administered
Tolland County 4-H Fair

when animals reach 3 months of age - young animals for exhibition should be vaccinated as soon as possible after 3 months of age.)

- Animals must be separated from the public by sufficient means to avoid direct contact with people and other animals, such as a double fence, plexiglass, or other means; or conspicuous signs or tape must be posted near the animal enclosure stating “CONNECTICUT RABIES ADVISORY NOTICE - DO NOT FEED OR TOUCH ANIMALS”.

Yellow tape with the rabies advisory notice wording is available for purchase from the Department of Agriculture.
Please, contact the Department at (860) 713-2504 if you have questions regarding the requirements, the rabies regulations or if you wish to obtain the rabies advisory notice tape.

Regulations of Connecticut State Agencies

Control of Rabies in Public Settings

Section 22-359-1 Definitions.
As used in Sections 22-359-1 to 22-359-5, inclusive, of the Regulations of Connecticut State Agencies:

1. “Animal” means any warm blooded creatures, including bats.

2. “Commissioner” means the Commissioner of Agriculture or the Commissioner’s designated agent.

3. “Controlled situation” means a public setting in which an animal is under the control of a handler and persons having direct physical contact with such animal can be readily identified and contacted if a rabies exposure incident occurs.

4. “Currently vaccinated” means an animal was vaccinated against rabies and is considered immunized based on administration of the primary vaccination at least 30 days previously or immediately after a booster vaccination and vaccinations have been administered in accordance with licensed rabies vaccine label directions.

5. “Licensed rabies vaccine” means a vaccine against rabies for certain species of animals licensed by the United States Department of Agriculture for use in such species and marketed in the United States.

6. “Not currently vaccinated” means an animal for which there is no licensed rabies vaccine or an animal for which there is a licensed rabies vaccine but such animal is under the minimum age to be vaccinated against rabies or does not satisfy the requirements of “currently vaccinated” as defined in subdivision (4) of this section.

7. “Public setting” means any event, facility or premise at which the public is invited and allowed to have direct physical contact with animals. Public settings include but are not limited to fairs, animal exhibitions, petting zoos, municipal pounds, animal shelters, nature centers, riding stables, pony rides, and educational programs.

8. “Rabies” means an infection of the central nervous system of mammals caused by viruses in the Rhabdovirus family that typically results in death.

9. “Uncontrolled situation” means a public setting at which persons have direct physical contact with an animal and such persons cannot be readily identified or contacted if a rabies exposure incident occurs.

10. “Vaccinated” means an animal was vaccinated against rabies in accordance with licensed rabies vaccine label directions.

Section 22-359-2. Animals for which there is a licensed rabies vaccine. Exceptions.

1. No animal for which there is a licensed rabies vaccine may be in a public setting without being currently vaccinated for rabies.

2. Animals under the minimum age to be vaccinated, vaccinated animals offered for sale or adoption and animals residing in municipal pounds shall be exempt from the provisions of this section.

Section 22-359-3. Animals not currently vaccinated.

1. Written records shall be kept by the owner, keeper, or handler of any animal not currently vaccinated for rabies that is present in a public setting in a controlled situation. The written records shall include contact information for all persons having direct physical contact with such animal, including the names, addresses and telephone numbers of such persons and the date of contact. Such records shall be maintained for a period of six months and shall be made immediately available to the Commissioner upon request.

2. Any animal not currently vaccinated for rabies that is present in a public setting in an uncontrolled situation shall be separated from the public by sufficient means to avoid direct contact between people and animals, such as a double fence, plexiglass, or other device to avoid direct contact between people and animals as determined by the Commissioner, or a conspicuous sign shall be posted near the animal enclosure stating “CONNECTICUT RABIES ADVISORY NOTICE - DO NOT FEED OR TOUCH ANIMALS”.

Section 22-359-4. Exemptions.

1. Mice, rats, gerbils, hamsters, guinea pigs, and rabbits and any other animal in a public setting considered low risk for rabies transmission by the Commissioner which can be documented as being born and exclusively raised and kept in a manner that prohibits direct physical contact with wildlife are exempt from the provisions of sections 22-359-2 and 22-359-3 of the Regulations of Connecticut State Agencies.

2. Birds, reptiles and amphibians shall be exempt from the provisions of sections 22-359-2 and 22-359-3 of the Regulations of Connecticut State Agencies.

3. Animals which were bred at facilities licensed by the United States Department of Agriculture, and which can be documented as being born and exclusively raised and kept in a manner that prohibits direct physical contact with wildlife, and have at no time been co-mingled with animals that may have had direct physical contact with wildlife, are exempt from the provisions of sections 22-359-2 and 22-359-3 of the Regulations of Connecticut State Agencies.

Section 22-359-5. Penalty.
The Commissioner may impose civil penalties for any violation of the provisions of sections 22-359-2 and 22-359-3 of the Regulations of Connecticut State Agencies in accordance with the provisions of Connecticut General Statutes section 22-7. (Effective August 4, 2009)
If there is a licensed rabies vaccine for a species, those animals must have current rabies vaccinations to enter any Connecticut 4-H Fair. Remember that cattle and sheep need to be 3 months old to get the rabies vaccine and that it takes 30 days to be effective. There is not a licensed rabies vaccine for goats, rabbits, swine, or camelids. They may be exhibited, but will be separated from close contact with the public.

CLASS 42  LIVESTOCK PREMIER SHOWMANSHIP

Sleepover Qualifications and Expectations

1. Each applicant must fill out a Tolland County 4-H fair sleepover application, be at least 12 years old, and a current registered 4-H member. If applicant is under the age of 18, they must have written parental/guardian consent. Current health form must be up to date and on file.
2. Applicants must be respectful of others and follow the 4-H code of conduct rules.
3. Applicants should be willing and able to handle any animal that may get loose in the middle of night, and any other emergency. All animals are to be checked that they are secured, watered and looking healthy.
4. Sleepover spots are filled by the sleepover coordinator with the sleepover committee and approved by the 4-H Program Coordinator. All decisions made by the committee are final and not up for debate or discussion. Spots are assigned to oldest 4-H members first, and are limited to first come, first serve.
5. The head chaperone does a roll call in each barn at 10pm, all doors are closed and locked for the night and no one is permitted in or out without permission from the barn chaperone. If a member needs to leave the barn, they must go in pairs. Lights are out at 11pm. Cell phones must be on silent and used with consideration for others.
6. If a sleepover member has a change in plans they must notify the sleepover coordinator no later than the official closing time of the fair of the night that is in question. Members deciding not to sleepover on any given day/days, previously approved, cannot be reconsidered for sleepover.
7. Sleepover members are required to have the barns neat/clean and open each morning ready for the public’s enjoyment no later than 8am.
8. Disregarding or breaking any of these rules will result in an immediate, permanent termination of sleepover privileges, and a phone call will be made to their parents/guardian to have the offending member picked up.

I agree to abide by the rules stated above and perform the above expectations, if I am selected to stay overnight at the 4-H Fairgrounds.
